NAV NAVC

*High Volume, Self-Contained Service Deli Merchandiser*

# High Volume, Self-Contained Service Deli Merchandiser

NAV - Straight Glass  
 NAVC - Curved Glass

## Standard Features

- Large, tempered glass front and interior upper and lower fluorescent lamps provide maximum product visibility
- Front bumper is standard in black. Red front bumper available upon request
- Rear sliding doors provide easy access to product and can be easily removed for product merchandising. Full size solid doors with mirrored steel interior panels.
- One row 13" and one row 16" wire upper mezzanine shelves painted with grey powder coated paint
- NAV and NAVC standard white painted interior and exterior. NAV-SS and NAVC-SS with stainless steel interior and exterior.
- Stainless steel models utilize high quality 304 stainless steel with mirrored interior ends
- Standard 1-inch leveling pods assist with installation. Swivel, locking (2) casters are provided with each merchandiser and may be installed in place of the leveling pods.
- Gravity coil increases product integrity for a longer display time.
- Efficient R-134A refrigerant and CFC-free foam insulation maintain internal temperatures while performing with energy efficiency.
- Exterior rear plug and 3-amp fuse supplied for connecting a scale to rear of case.
- Interior case thermometer
- One inch interior floor drain is piped to the rear case exterior. Standard floor grates protect case bottom and product displays placed in lower storage area.

## Optional Accessories

- Six Inch Leg Kit
- Skirt Kit (use with leg kit)
- Glass Rear Doors
- Extra Wire Mezzanine Shelves

**NOTE:** These merchandisers are designed for use in stores when temperature and humidity do not exceed 75°F and 55% RH.

We reserve the right to change or revise specifications and product design in connection with any feature of our products. Such changes do not entitle the buyer to corresponding changes, improvements, additions, or replacements for equipment previously sold or shipped.
