R3P /CR3P

Refrigerated Service/Self-Service Prep Curved Or Straight Glass

HUSSMANN®
Specialty Products

Design Flexibility

This unique design is set-up to have several prep top options including a refrigerated condiment rail for food prep, warming plates for hot product sales, or a flat top for prep or display with multiple sneeze guard options

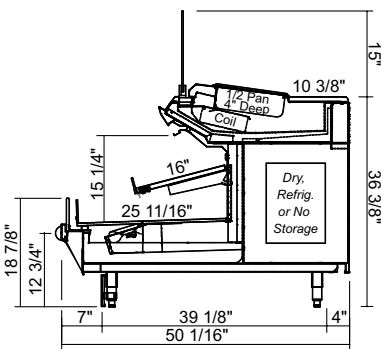

Combination Merchandising

Allows for self-service, preparation area, and extra storage all in a small footprint.

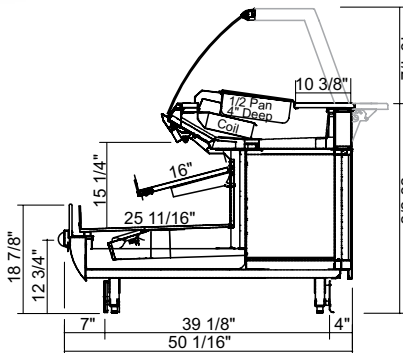

Product Integrity

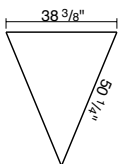

All metal construction, 5 year warranty coils, and quality materials assure a long product life cycle.
